Trash and Storage Guidelines

Acceptable containers are either a 32 gallon container with a tight secure fitting lid or a 96 gallon toter that has been leased from the City.

While storing solid waste on your property or placing at the curb for pick up all rubbish must be in the above described containers with lid securely closed.

32 gallon containers may not exceed 60lb(s) and 96 gallon toter may not exceed 250lb(s).

All containers must be placed between the sidewalk and curb, or in the alley as the case may be. Rubbish may be placed out for collection no earlier than 6pm the night before collection and empty containers must be removed by 8pm the day following collection

Yard Waste, construction debris or hazardous materials are not permitted in rubbish collection.

What day is my rubbish collection day ?

Please refer to back of flyer. If you need further assistance please call the DPS @ 734.324.4580

Frequently Asked Questions

Where can I get a container from?

96 gallon toter: Leased from the City. 32 gallon containers: Local hardware stores and large home good centers.

What is the cost to lease a 96 gallon toter?

\$48 for a 2 year lease. After 2 years a charge of \$2.00 per month lease fee will be added to your utility bill

How do I lease a 96 gallon toter?

Call Municipal Service 734.324.7190 direct to pay by credit card over the phone.

Is there a limit on the number of containers I can have?

No, but if you regularly exceed ten (10) 32 gallon containers the DPS will meet with you to consider other alternatives

Can I store trash in cardboard boxes?

No, trash can only be stored in the above described containers

Can I keep trash outside the container on the side or the rear of my house prior to collection day?

No, all trash must be stored in containers with tight secure fitting lids as indicated above

I have moved in and there is a City toter here already, what should I do?

Please contact DPS for your option to continue service or terminate service.

I want to Recycle, what are my options?

Two options: Fully functional Recycling Center free to all residents located at 1170 Grove Street or call Waste Management @ 1.886.797.9018 for bi-weekly pick up at your home for a charge. See www.wyandotte.net for details of items that are recyclable.

Frequently Asked Questions

How do I dispose of yard waste/grass clippings?

Two options: Recycling Center located at 1170 Grove Street or Yard Waste Subscription Service by DPS, for weekly pick up service at your home for a charge. See www.wyandotte.net for more information

I have construction debris to dispose of, what can I do?

The DPS has dumpsters to rent at a cost to residents or debris can be brought to the DPS to dispose of for a charge. Please call DPS for more details.

How do I know if I need a permit for my project?

Please see www.wyandotte.net or call Engineering Department @ 734.324.4551 to determine if a permit is required for the work you will be doing.

What should I do with household hazardous waste?

Drop-off days are scheduled at four (4) different times during each year. See www.wyandotte.net DPS for details.

Do you do shredding?

There have been various organizations that do shredding. Please see www.wyandotte.net or contact Pure Data Services, 4459 13th, Wyandotte @ 734.283.3000.

How can I dispose of tires?

Tires can be taken to Silver Lining Tire Recycling, located at 3776 11th Street. There is a cost to dispose of them. Please call (734) 324-4800 for cost and hours you may dispose of them.
