

File of Life Program

Sponsored by the

- ❖ Wyandotte Police Department
- ❖ Wyandotte Fire Department
- ❖ Wyandotte Recreation, Leisure & Culture Department
- ❖ International Transmission Corporation

The City of Wyandotte is offering the **File of Life** folders to place on your refrigerator in case of a medical emergency where the resident is unable to communicate with emergency personnel. The folders are free to residents of Wyandotte.

The **File of Life** folder has a magnet with a pouch that will hold important medical information such as medical history, current medications and insurance information that can assist Fire, EMS, or Police personnel who respond to the address of a medical emergency where the caller is unable to communicate with first responders.

Having the **File of Life** available to paramedics and first responders will save time and assist the emergency personnel with patient care. The **File of Life** folders and **registration forms** can be picked up at the Wyandotte Police Department or the Wyandotte Recreation, Leisure & Culture Department (Yack Arena) during regular business hours.
