### COMMUNICATIONS - MISCELLANEOUS

7/12/2005

Dear Honorable Mayor & Council, 3131 Biddle Avenue  
Wyandotte, MI 48192

I would like to appear before Council to address a sewer problem at 1879 4th Street. The Department of Public Service notified me by mail that the main sewer revealed no problem. My sewer was plugged and compacted from the main, clear back to all the lines on my property. Indicating a blockage in the main sewer. I can prove this as a fact. When I went to report I had a sewer problem, I asked to speak to Mr. Kowalewski he refused to speak to me. Mistakes were made starting , at the Engineering Dept. on down. I had to direct the DPS where the sewer access was located.

I had to hire a plumber to repair the damage caused by the sewer main blockage. He had to dig up the yard to get at the compacted section. The cost I incurred amounted to a total of \$1,860.00. I contend the city is liable for this bill. It seemed odd to me that the temporary DPS supervisor came to my home to discuss the sewer situation, the discussion lasted an hour. He left saying, he would get back to me, never happened, I'm still waiting for a response.

I would appreciate an opportunity to state my case. Thank You.

Regards.  
Henry C. Kuzia, 1879 4th St., Wyandotte, Mi. 48192

City of Wyandotte  
Attention: Mayor James DeSana  
TIFA/Brownfield Chairman Charles Mix  
TIFA/Brownfield Board Members

I have recently moved to the City of Monroe and no longer reside in the City of Wyandotte. Knowing that being in a position to make decisions on behalf of the City of Wyandotte while not longer a resident of the city is a cause of concern for some, I feel it be in the best interest that I submit my resignation from the TIFA/Brownfield Boards effective immediately. It was a great job to work with some outstanding people with the ultimate intent of making the City of Wyandotte a destination of choice for all. I learned a great deal and hopefully I will again have the opportunity to serve Wyandotte in the future.

Sincerely,  
Stephen J. Pente

Re: American Heritage River Fall Classic

Dear Mayor and Council:

The Wyandotte Boat Club has established Sunday, November 6, 2005 for the Fourth Annual American Heritage River Fall Classic. This event is sponsored by the Wyandotte Boat club and the BASF Corporation. The regatta is a classical head race open to rowing clubs, secondary schools, colleges and universities. In the 2004 event, twenty-three (23) different clubs and school organization participated in a total of twenty-six (26) separate events. The number of athletes participating was approximately 1,200 individual athletes supported by their club organizations, parent groups and other booster organizations.

This year's regatta promises to be significantly larger event with greater participation than 2004. The increase is due to the increasing popularity of the sport of rowing, together with the excellent venue which Wyandotte Boat Club is able to provide in the City of Wyandotte. We believe that this event is a prime opportunity to showcase the City of Wyandotte and all that it has to offer to people all over the Midwest and Canada.

Accordingly, we are requesting the Mayor and City Council approve this event for the date listed and to authorize the City Recreation Department and Department of Municipal Services to provide the Boat Club with the usual support services needed to conduct a successful event. We greatly appreciate the assistance of providing traffic control barriers, parking accommodations and other support services which make this event possible.

The Wyandotte Boat Club is proud to provide high quality and environmentally safe recreational activities within our community. It would not be possible without the support of the Mayor, City Council, City Administration and the City's employees. Your continued support of this program is greatly appreciated.

Very truly yours,  
WYANDOTTE BOAT CLUB  
Charles E. Wycoff, Regatta Chairperson

#### COMMUNICATIONS FROM CITY AND OTHER OFFICIALS

July 14, 2005

The Honorable City Council, City of Wyandotte, 3131 Biddle Avenue  
Wyandotte, MI 48192

Gentlemen and Madam:

Many of you as well as citizens of Wyandotte, have been inquiring as to my intentions relative making an appointment to fill the City Treasurer's position.

Prior to the election this past May, many of us discussed the possibility of setting qualifications for that particular office. We were informed by the City Attorney, however, that you cannot set qualifications for an elected office. That opinion has led me to propose the following.

Robert Szczechowski, the Assistant Finance Director, has been working well with Sharon Senkowski, the Deputy City Treasurer, for the past few months. I would like to appoint Andrew Swiecki to the position of Treasurer to work with Mr. Szczechowski and Mrs. Senkowski until such time as the Mayor and City

Council can evaluate two suggestions that have been discussed, both of which would, in my opinion, save some dollars in the City's budget which is absolutely needed prior to October 1, 2005. Those suggestions are:

1. Consolidate the Treasurer's Office with another election official's office.
2. Ask the public to eliminate the Treasurer's position and transfer the supervision of that department to the Financial Department, the same department where Mr. Szczechowski works under the direction of the Director of Finance & Administration, Todd Drysdale.

Because we are not able to set qualifications for an elected office, in particular the Treasurer and Assessor, the appointment of Mr. Swiecki would give us time to evaluate the operation of the Treasurer' Office and reach a conclusion as soon as possible. Mr. Swiecki has offered to help during this transition period at a rate of \$500/month -- \$6,000/year.

If the option we ultimately choose requires taxpayer approval, that should be done prior to the next City election in 2009.

Enclosed is a copy of a legal opinion offered by our City Attorney, indicating my proposal with regard to setting the salary for the Treasurer is within our legal rights. I hope that you will agree with this decision.

Sincerely,

James R. DeSana, Mayor

July 13, 2005

The Honorable City Council, City of Wyandotte

Gentlemen and Madam:

As many of you know, throughout my campaign, I talked about our needs and our wants. I also spoke about some of the very serious financial situations currently facing our city. Quite frankly, I believe it is a more serious situation than people want to believe. Although I am not going to go into great detail at this time, I want you to know that sometime in August, I will be asking City Council to make some difficult decisions. In order to do some of the things I will be proposing, with input from others, it is important that we have very competent people in place to accomplish these goals.

There are two people, who in my opinion, are playing a very vital role in helping us deal with the very serious situations we are currently facing: our City Engineer, Mark Kowalewski and our Director of Finance & Administration, Todd Drysdale. I have personally spoken with both gentlemen and told them that

they are undoubtedly worth every dime they are receiving. We all know, however, that when someone wishes to improve their income, which they have every right to do, the day may come when this nice little city will no longer be able to afford their services, and they may have to seek employment elsewhere in order to accomplish that. But we will cross that bridge when we come to it.

For now, I am submitting the name of Mark A. Kowalewski for reappointment as City Engineer for a two-year term commencing July 11, 2005 and ending June 1, 2007. I am recommending that Mr. Kowalewski's annual salary be increased from \$94,935.43 to an annual salary of \$101,504.00. As in the past, the City Engineer will receive an annual auto allowance of \$2,000.00, plus benefits identical to those provided other non-union general city employees, except for any approved general salary increases.

I request your concurrence in this re-appointment.

Sincerely,

James R. DeSana

July 13, 2005

The Honorable City Council, City of Wyandotte

Gentlemen and Madam:

Leslie Lupo is an extremely talented person who I have always respected personally, and is a person that exceeds the duties assigned to her as Director of Community Relations.

As many of you may be aware, Mrs. Lupo's contract will be expiring at the end of July and she has indicated to me that she wishes to retire. I am recommending that we extend her contract to October 1, 2005. The money will come from the Special Events Fund, not the General Fund. I am also recommending that the amount she earns between the end of July and October 1 be reimbursed by the DDA.

For well over a year, I have urged the DDA to hire an Executive Director to learn Mrs. Lupo's job as quickly as possible. Since my return to the office of mayor, I have encouraged the DDA to have someone on board no later than September 1, 2005.

It is my hope that you will concur in my recommendation to extend Mrs. Lupo's contract to October 1, 2005, and that she will agree to assist on a part-time basis in training the new person the DDA and Mayor and City Council will hire as DDA Executive Director.

Sincerely,

James R. DeSana, Mayor

July 14, 2005

The Honorable City Council, City of Wyandotte  
3131 Biddle Avenue, Wyandotte, MI 48192

Gentlemen and Madam:

A letter was recently referred to my office concerning the "No Left Turn" sign on Pennsylvania Road at Central. As we had discussed previously, I do not remember a sign being at that location, except for perhaps the last 1 1/2 years. I had an opportunity to speak with a person who has been living in that area for over 30 years, who also did not remember a sign being there either until recently.

Wayne County is responsible for installing that sign. We all understand the issue of safety, but I cannot comprehend why, after 30 years, a sign was installed at that location when, to the best of my knowledge, there are no statistics indicating there were problems at that location.

Every intersection has the potential of an accident occurring there, however, as I stated in a letter to Mayor Durand, City of Riverview, "...because of that traffic order, drivers are required to make two left hand turns at busy intersections, which I feel poses a much more dangerous situation than the person that may be using poor judgment by using the railroad tracks to park their car while waiting for traffic to clear. In my opinion, the potential for traffic accidents is greater because of the number of vehicles that have to make a "detour" around Central Avenue due to the "no left turn" sign.

On Wednesday, July 13, 2005, I had an opportunity to meet with officials from the City of Riverview, Wayne County, and a person from MDOT who was representing the railroad. There's an old saying, "if it ain't broke, don't fix it". Although I tried my best to convince them that the sign was not necessary, I was not successful. I am sure we will continue to see people ticketed, fined, and issued points against their driving record for making that left-hand turn onto Central from Pennsylvania Road--an intersection where there has never been a problem.

I could tell you to contact other units of government, but I have a feeling you would be wasting your time as well.

Sincerely, James R. DeSana, Mayor
