COMMUNICATIONS MISCELLANEOUS

Dear Mayor Peterson and City Councilmembers

2nd Annual Wyandotte Animal Shelter Valentine's Open House 10am-3pm

This Saturday, February 13th, find your "Furr-ever" love at the 2nd Annual Wyandotte Animal Shelter Valentine's Open House.

Chuck Gillenwater, Animal Control Officer for the City of Wyandotte and volunteers at the Wyandotte Animal Shelter welcome you to visit the shelter on Saturday, February 13th from 10am-3pm. We have the purr-fect cat or dog waiting for you!

We welcome the public to tour our recently remodeled facility and see how we care for the stray cats and dogs in the City of Wyandotte. The Wyandotte Animal Shelter has a core group of volunteers who assist the animal control officer in the care and adoption of the animals.

Many people have a vision of an animal shelter being a cold and scary place and we want to feature the shelter and dispel the myth it carries. We will have refreshments for all visitors and dog and cat related items to purchase, with all proceeds going directly to the care of sick or injured animals at the shelter. We do have an adoption application to adopt our animals but one can go online to our petfinder site (<http://www.petfinder.com/shelters/M1363.html>) and fill out an application to see if you will be preapproved to adopt your next furry friend on the day of the event! Anyone who adopts a cat or dog during the event will receive a Valentine gift bag and one for your new furry friend.

The Wyandotte Animal Shelter is located at 1170 Grove Street, between 11th and 13th Streets, next to the Recycle Center. The fee for cat adoption is \$60.00 (cash only) includes spay or neuter, combo test, and age appropriate vaccinations. The fee for dog adoption is \$85.00 (cash only) includes spay or neuter, heartworm test, and age appropriate vaccinations. See all of our animals available for adoption on petfinder.com!

For more information contact the Wyandotte Animal Shelter at 734-324-4445 or email us at wacvolunteers@gmail.com.

RE: Application for a Commercial Facilities Exemption Certificate - 3450 Biddle Ave.

Dear Mayor and Council:

Enclosed is an application for a Commercial Facilities Exemption Certificate for the property at 3450 Biddle Ave., Wyandotte, Michigan.

The Certificate, if approved, allows for a reduction in property taxes to encourage redeveloping commercial property in a qualified downtown revitalization district. The Council previously approved establishing a Commercial Redevelopment District for the property on January 25, 2010. This action is consistent with the Goals and Objectives identified in the City of Wyandotte's Strategic Plan 2010-2015 that identifies a commitment to downtown revitalization and an economic development strategy that emphasizes commercial expansion in this area.

Also enclosed is a proposed resolution setting a hearing date of March 1, 2010, on the issuance of a Certificate.

The undersigned recommends that the Council adopt the following resolution.

Sincerely,

Todd A. Drysdale, Director of Finance and Administration

Dear Mayor Peterson and City Council Members:

At the November 10, 2009, City Council Meeting you referred a communication from David and Martha Beaudrie, 3800 9th Street, regarding extending the berm in their neighborhood to the undersigned and the following applies. The Engineering and Building Department has contacted Linda S. Armbruster, Manager Business Development and Real Estate for CN Railroad, but has had no respond from Ms. Armbruster.

The Engineering and Building Department will continue to work towards expanding the berm in this area.

Very truly yours,

Mark A. Kowalewski, City Engineer

The Honorable Mayor Joseph R. Peterson And City Council Members
City Hall, Wyandotte, Michigan 48192

Dear Mayor Peterson and City Council Members:

In order for a Brownfield Plan to be prepared for the former Fogel's Furniture building at 3139-49 Biddle, the City must determine that the property is either "blighted" or "functionally obsolete." Preparing a Plan will preserve the ability for a future developer of the property to qualify for reimbursement of eligible expenses through the capture of tax increment revenue on the new investment. The Plan may also qualify the project to apply for a State of Michigan Brownfield Redevelopment Michigan Business Tax (MBT) Credit of 12.5%-20% of the eligible investment expenses.

The structure at 3139-3149 Biddle Avenue is "blighted," as defined in Section 2(e) of the Brownfield Redevelopment Financing Act, Act 381 of 1996, as amended (see Enclosure), based on the following:

1. The utilities, plumbing and heating system have been permanently disconnected or rendered ineffective so that the property is unfit for its intended commercial use.

Therefore, the undersigned requests adoption of the attached resolution.

Very truly yours,
Mark A. Kowalewski, City Engineer

The undersigned recommends that the Council adopt said amendment.

Very truly yours,

Dear Mayor Peterson and City Council Members,

Attached for your review is the Quarterly Investment Report for the fourth quarter of the 2009 calendar year. The attached report keeps the City in compliance with Public Act 213 of 2007, an amendment to Public Act 20 of 1943.

The report is in line with the commitment in the Mission Statement of the City of Wyandotte's Strategic Plan 2010-2015 that states we will be comply with all the requirements of our laws and regulations.

If you should have any questions, comments or concerns, please do not hesitate to contact me.

The Honorable Mayor Joseph R. Peterson And City Council
City Hall
Wyandotte, Michigan

Dear Mayor Peterson and City Council Members:

The United States Congress and Senate have both introduced Bills to provide a third round of funding for federally eligible roads called Jobs for Main Street (JMS). This will be a follow up to the previously Federal Funded Programs of the American Recovery and Reinvestment Act (ARRA) "A" and "B" Federal Highway Administration Programs. Once one of these Bills are passed the projects are required to be under contract within ninety (90) days. Therefore, only projects that are already designed or are shovel ready will be eligible for JMS Funds.

Funds will be distributed to State's Department of Transportation which typically will spend seventy-five (75) percent of the funds on state roads. Fort Street (M-85) from Sibley to Goddard is a shovel ready project as the design was completed two (2) years ago. This project was delayed because Fort Street was used as an alternate route during construction work on I-75. This is an ideal project for JMS Funds.

I recommend City Council contact various State Elected and Appointed Officials to urge the funding of this project.

Very truly yours,
Mark A. Kowalewski City Engineer

The City reserves the right to review all proposed scripts for any production filming activities. The decision of the City to issue, conditionally issue, or deny a permit shall be final unless appealed in writing within five working days of the decision by requesting a hearing before the City Council at the next available meeting. Where conditions are imposed as prerequisite to the issuance of a permit and where a permit is denied, notice thereof shall be mailed to the applicant by first class mail within five (5) days of such action. In the case of a permit denial, the reasons therefore will be stated in the notice.

In such instances the premises may be closed by the Police Department or Fire Department and the assembly disbursed.

In the event any portion of the estimated cost is not used, said fund will be reimbursed to the permittee.

Sec. 8.2-10 Clean-up and Restoration:

The applicant shall conduct operations in an orderly fashion with continuous attention to the storage of equipment not in use, maintenance of the area, and the cleanup of trash and debris.
