Regular session of the City Council of the City of Wyandotte, the Honorable Mayor Joseph R. Peterson presiding.

ROLL CALL

Absent: Councilperson Galeski

COMMUNICATIONS MISCELLANEOUS

October 28, 2014

Honorable Mayor Peterson and City Council,

This letter is in regards to the proposed ordinance change to the "Special Supplemental Retirement Benefit Allowance" (I.e. 13th Check)

As a retiree of the City of Wyandotte Fire Department (January 2012) and recipient of this allowance, I was concerned with the proposed amendment to Section 2-245 and how it would directly affect me and many other retirees if adopted as presented. I would in fact have completely lost the 13th check for the next two years and faced a 50% reduction for the next five years thereafter.

I find it commendable on the part of Mr. Drysdale, the Union Bargaining units and the retirement commission to look for a way to help the long time retirees with a larger cost of living adjustment. The problem lies with how to implement this change fairly without harming a large group of current and recent retirees.

During my employment with the Fire Department I was involved with directly negotiating union contracts as union president of the Wyandotte Fire Fighters and assisted the City Administrator with the Fire Department contracts as Fire Chief. It was always my experience that contract modifications and changes affected the current bargaining unit members of the fire department not its retirees. State law prohibits negotiating for non-unit members. (I.e. Retirees) Active bargaining unit members ratify their contract and contract modifications become in effect when signed. Those members are now aware how those modifications will affect them in the future.

It was my belief, at the time of my retirement, that my pension was based on the contract language contained in the Wyandotte Fire Fighters collective bargaining agreement in effect in January 2012 and the language contained in the City of Wyandotte pension ordinance pertaining to Fire Department retirees and would not be changed in the future.

I am fortunate to be receiving a pension much higher than many of the long term city retirees but I also do not want to lose the 13th check. Thank you for passing the resolution at your October 27, 2014 meeting providing for a 13th check for all eligible retirees this year and I hope you will readdress this issue in the future.

I would like to make a suggestion for your consideration which may help with the future adoption of the proposed changes to the "Special Supplemental Retirement Benefit Allowance". All future retirees would fall under the table contained in Sec. 2-245 Sec. 1 c. once adopted. All current retirees with 15 or more years of retirement will receive the outlined increases. Current retirees with less than 15 years of retirement will continue to receive 100% of the calculated benefit as approved by the Retirement Commission and City Council until they reach the 15 year mark of retirement and would then become eligible to receive the increase.

I thank you for your consideration of this matter and hope your honorable body can find an acceptable resolution of this issue.

Sincerely, Michael MacDonald, 1798 Sycamore, Wyandotte, Michigan 48192

Subject: Cable Changeover

To All:

This letter is to voice our total dissatisfaction of the cable change over to digital.

The change started on Oct 15th. As of today, we are not receiving 100% of our service. Voices are continually fading in and out. The voices are cracking and are distorted. The screens are freezing continually. We are missing important plays during a football game. The volumes are go from a very low to very high from station to station. Trying to list the number of stations that this is occurring would be impossible.

And now on to the digital TVs without the boxes. Municipal services listed several stations that would need reprogramming. We did the reprogramming process, twice. We still cannot get ESPN Classic. Calls to municipal services are automatically forwarded to Broadband Services Tech Support. Broadband services indicate they are complete with the changeover. They indicated we would need to call municipal services. This has been a vicious circle.

So who do we go to for assistance?

We have asked for a 50% credit to our cable utility bill and were denied. Why should we have to pay 100% of the bill when we are not getting 100% of the service for an entire month?

If the city council can find the money in their budget for a 13th check for the public retirees, I am sure they can find money to refund the cable customers 50% of their cable bill.

We will be present at the meeting on November 10, 2014 to review this further.

PERSONS IN THE AUDIENCE

Jim Macek, 1049 – 6th, VFW Post #1136 awarded and placed on national television.

Following letter was read by Councilperson Fricke:

Dear Wyandotte City Council,

For many years I have enjoyed the role of Mrs. Claus in Wyandotte! I've greeted residents and visitors to our city at Third Friday and other local events... and more than ever I have treasured the role of welcoming the Season as Mrs. Claus in our city parade. I look forward all year to this very special month...

It broke my heart this week to find out that I am being replaced in the parade... I understand there is a new Santa and that his wife will be with him in the sleigh.

Wyandotte is my home. No one asked me to be Mrs. Claus. I volunteered. My role as Mrs. Claus developed for me through a friend. Over the years I've let the parade committee know that the Santa I work with and myself are more than happy to volunteer our services for the parade.

But at the same time I have been aware that Wyandotte already had a fine Santa in play – so I fully understood that bringing the Santa I work with on board was not necessary... that situation I have been totally comfortable with.

I was crushed, though, in realizing that our city had not even considered checking with me when a new Santa was needed... but, more so, I was crushed to find out that how quickly and easily I was replaced.

Again, I know no one asked me to be Mrs. Claus – any more than I have been asked to do so many of the things I've enjoyed doing for our city. It's just what you do when you enjoy and take pride in the city you live in. I've always felt loved and appreciated for being a part of our community...

Some may think it silly that I should be hurt by this change...that this is simply the ramblings of an old woman... or that I may be taking this fictional character too seriously.

It's not the character; it's what the character represents... the hugs, the love, and the good feelings that can be spread. It's what Christmas is all about to me... it's what Wyandotte has always been about to me... I've always enjoyed walking back down the streets of Wyandotte after our float finished the parade route and passing out candy canes and visiting with families. I'm sure the new Mrs. Claus is a very warm and caring woman... you don't take on the role without loving it! I'm sure she enjoys working with her husband... and they will do a fine job.

I'm not trying to start any conflict or make people upset or angry with me with this note. Finding a new Santa was needed – that I understand. Wyandotte has honored me over the years in so many ways, and for that I am grateful and most appreciative... but when it comes to taking away my role as Mrs. Claus – I don't understand why a new Santa meant a new Mrs. Claus, too. I am sad, hurt, confused and a little bit angry. I was not even going to write this letter, but friends around town urged me to share my feelings - and so I have...

Sincerely, Maggie Molnar

Mayor Peterson requests the Engineer to bring forth the 446 Pine Street issue for Council consideration. Set hearing by resolution tonight.

COMMUNICATIONS FROM CITY AND OTHER OFFICIALS

CITY OF WYANDOTTE REQUEST FOR COUNCIL ACTION
MEETING DATE: November 10th, 2014 AGENDA ITEM #3

ITEM: Resolution requesting that City Council adopt the proposed ordinance authorizing issuance of Electric System Revenue Bonds and Bond Anticipation Notes (BAN's)

PRESENTER: Paul LaManes – Assistant GM

INDIVIDUALS CONSULTED: Rod Lesko - GM, Charlene Hudson – PSSE

BACKGROUND: The formal process for issuance of Revenue Bonds and BAN's requires that the City Council adopt an ordinance authorizing the issuance of Electric System Revenue Bonds and BAN's. Although the attached is called an ordinance under Michigan's Revenue Bond Act (Act 94), under the provisions of Act 94, City Council may adopt the ordinance at the meeting at which it is introduced regardless of the City's usual procedures for enacting ordinances. The ordinance must be approved by the affirmative vote of a majority of Council's elected members. The ordinance becomes effective upon adoption. The requirements of Act 94 are the sole requirements and shall not be limited by a charter or statutory provisions, except that adoption is subject to provisions permitting approval or disapproval of the Mayor and the adoption of the ordinance over his veto.

For the sale of the BAN's, the ordinance authorizes either the GM or Asst. GM to sell the BAN's without further approvals.

For the sale of the Bonds, the ordinance authorizes the Municipal Services Commission to sell the Bonds without further City Council Approvals. The resolution for approval by the Commission authorizing the sale of the bonds is expected to be presented for adoption in the late spring of 2015.

STRATEGIC PLAN/GOALS: Improving our power generation and distribution facilities, both current and future, to ensure they continue to meet or exceed all state and federal regulatory and legal requirements.

ACTION REQUESTED: Requesting City Council approval of an ordinance to authorize issuance of Electric System Revenue Bonds and BAN's.

BUDGET IMPLICATIONS: The authorized bond issuance is an integral part of the multi-year business plan for the Electric Utility that ultimately impacts each future budget year.

IMPLEMENTATION PLAN: Subsequent to Council approval, distribute BAN RFQ to potential bidders, receive bids, award and close on BAN's. Chapter XV Section 12 of the City Charter says that the bonds must be issued and delivered to the purchasers thereof within 3 years; bonds are intended for issuance during the late spring 2015.

**CITY OF WYANDOTTE REQUEST FOR COUNCIL ACTION
MEETING DATE: November 10th, 2014 AGENDA ITEM #19**

ITEM: Department of Engineering – Special Assessment District #937

PRESENTER: Mark A. Kowalewski, City Engineer

INDIVIDUALS IN ATTENDANCE: Mark A. Kowalewski, City Engineer

BACKGROUND:

With the construction of the new medical office building at 2300 Biddle Avenue there will be an increase in traffic in the unpaved public alley west of the project as the new complex has parking areas that enter/exit into the alley. The alley separates the medical office project from residentially used property. In order to facilitate the increased use of the alley and reduce dirt and dust impacting the residential properties, it was an obligation of the City within the Purchase Agreement with Ghazwan Atto, M.D., that the alley should be paved with concrete by Special Assessment.

On September 30, 2013, the City Council held a public hearing and passed a Resolution creating Special Assessment District #937 to pay for the cost of grading and paving the twenty (20) foot wide public alley west of Biddle Avenue from Mulberry Street to Walnut Street whereby the improvement expense will be assessed against benefiting properties.

The Developer owns 81.3% of the abutting frontage while the remaining abutting 18.7% is residential or public alley. The cost of this project is \$30,483.15, of which \$22,881.85 would be assessable, the remaining \$7,601.30 would be the City share for amounts not assessable and owner occupied single family dwellings.

STRATEGIC PLAN/GOALS:

This proposed improvement is consistent with the Goals and Objectives of the City of Wyandotte Strategic Plan in insuring that new developments will have a positive impact on the abutting neighborhood, and promotes infrastructure improvements associated with new developments.

ACTION REQUESTED:

The Department of Engineering and Building recommends that this be referred to the City Assessor and City Treasurer for certification and collection respectfully, in accordance with Chapter XIV of the City Charter.

BUDGET IMPLICATIONS & ACCOUNT NUMBER:

The improvement in the amount of \$30,483.15 has been funded from the 2013-2014 Fiscal Year Budget Account 249-450-825.462, Alley Special Assessment.

IMPLEMENTATION PLAN:

If approved by Council, direct the City Assessor and City Treasurer to begin certification and collection procedures in accordance with Chapter XIV of the City Charter, and authorize the City Clerk to give notice of the Special Assessment, setting the time and date when the City Council and City Assessor will meet to review said assessment.

Section 6. Series 2015 Bond Data. The Series 2015 Bonds shall be designated as the ELECTRIC SYSTEM REVENUE BONDS, SERIES 2015. At the time of sale of the Series 2015 Bonds the General Manager or Assistant General Manager of the City's Department of Municipal Service is authorized to approve additional series designations.

The Series 2015 Bonds shall not be a general obligation of the City but shall be payable solely out of the Net Revenues of the System. The Series 2015 Bonds shall constitute Additional Bonds as defined in the Ordinance and shall have equal standing and priority of lien as the Net Revenues of the System with the Outstanding Bonds.

The Series 2015 Bonds shall be issued as term bonds or serial bonds as determined at the time of sale of the Series 2015 Bonds, in fully-registered form in denominations of 55,000 or integral multiples thereof, not exceeding the amount of bonds maturing on the same date such bond matures, and shall be numbered in consecutive order of authentication from 1 upwards. The Series 2015 Bonds shall be dated as of such date as may be determined at the time of sale, and shall mature on October 1st in the years 2018 to 2044, inclusive, or such other years as shall be determined at the time of sale, provided, however, that the Series 2015 Bonds shall mature within 30 years of the date of issuance thereof.

The Series 2015 Bonds shall bear interest at the rate or rates to be determined at the time of sale of the Series 2015 Bonds, payable on October 1, 2015, or such other date as approved at the time of sale thereof, and semi-annually thereafter on April 1st and October 1st of each year, by check

drawn on the Transfer Agent and mailed to the registered owner at the registered address, as shown on the registration books of the City maintained by the Transfer Agent. Interest shall be payable to the registered owner of record as of the fifteenth day of the month prior to the payment date for each interest payment. The date of determination of registered owner for purposes of payment of interest as provided in this paragraph maybe changed by the City to conform to market practice in the future. The principal of the Series 2015 Bonds shall be payable at the designated office of the Transfer Agent.

The Series 2015 Bonds may be subject to redemption prior to maturity at the times and prices finally determined at the time of sale. In the event that any of the Series 2015 Bonds shall be issued as term bonds, the mandatory redemption requirements for such term bonds shall be specified at the time of sale.

Unless waived by any registered owner of bonds to be redeemed, official notice of redemption shall be given by the Transfer Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates; CUSIP numbers, if any; certificate numbers (and in the case of partial redemption) the called amounts of each certificate; the place where the bonds called for redemption are to be surrendered for payment; and that interest on the bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Transfer Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

The Series 2015 Bonds shall be signed by the manual or facsimile signature of the Mayor and countersigned by the manual or facsimile signature of the City Clerk. The Series 2015 Bonds shall have the corporate seal of the City impressed or printed thereon. Executed blank bonds for registration and issuance to transferees shall simultaneously, and from time to time thereafter as necessary, be delivered to the Transfer Agent for safekeeping.

The Series 2015 Bonds may be issued in book-entry-only form through The Depository Trust Company in New York, New York ("DTC"), and any official of the City or the Department of Municipal Service is authorized to execute such custodial or other agreement with DTC as may be necessary to accomplish the issuance of the Series 2015 Bonds in book-entry-only form and to make such changes in the bond form within the parameters of this ordinance as may be required to accomplish the foregoing. If the Series 2015 Bonds are held in book-entry form by DTC, payment of principal of and interest shall be made in the manner prescribed by DTC.

Any Series 2015 Bond may be transferred upon the books of the City maintained by the Transfer Agent by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of the bond for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Transfer Agent. Whenever any Series 2015 Bond or Bonds shall be surrendered for transfer, the Transfer Agent shall authenticate and deliver a new bond or bonds of the same series for like aggregate principal amount. The Transfer Agent shall require the payment by the bondholder requesting the transfer of any tax or other governmental charge required to be paid with respect to the transfer. The City shall not be required (i) to issue, register the transfer of, or exchange any bond during a period beginning at the opening of 15 business days before the day of the mailing of a notice of redemption of bonds selected for redemption prior to maturity and ending at the close of business on the day of that mailing, or (ii) to register the transfer of or exchange any bond so selected for redemption in whole or in part, except the unredeemed portion of bonds being redeemed in part. Notwithstanding the foregoing, if the Series 2015 Bonds are held by DTC in book-entry form, the transfer of the Series 2015 Bonds shall be made in the manner prescribed by DTC.

Section 7. Bond Anticipation Notes Authorized; Note Data: Proceeds of the Notes. In order to pay costs of the Series 2015 Project which need to be paid before the City issues the Series 2015 Bonds, the City shall issue the Notes pursuant to the provisions of Section 413 of Act 34 in the aggregate principal amount of not-to-exceed Four Million One Hundred Thirty-Five Thousand Dollars (\$4,135,000) as finally determined at the time of sale. The Notes shall not be a general obligation of the City but shall be payable solely out of the proceeds of the Series 2015 Bonds or out of the Net Revenues of the System after provision has been made for payment of the City's outstanding Bonds.

The City covenants that after sale of the Notes, it shall not issue any additional bonds or notes payable from the Net Revenues unless the City has provided for payment or defeasance of principal of and interest on the Notes as of the date of delivery of such additional bonds or notes.

The Notes shall be payable in the principal amounts, at the times and in the manner determined by the General Manager or Assistant General Manager at the time of sale of the Notes. The Notes shall be subject to redemption prior to maturity at the option of the City or the noteholder as determined by the General Manager or Assistant General Manager at the time of sale of the Notes. Unless waived by any registered owner of Notes to be redeemed, official notice of redemption shall be given by the Note Transfer Agent on behalf of the City and shall conform to the requirements set forth in the Note being redeemed.

Either the City or such financial institution designated by the General Manager or Assistant General Manager shall act as registrar or transfer agent for the Notes (the "Note Transfer Agent"). Interest shall be payable by check or draft drawn on the Note Transfer Agent mailed to the registered owner at the registered address, as shown on the registration books of the City maintained by the Note Transfer Agent. The principal of the Notes shall be payable upon presentation and surrender of such Notes to the Note Transfer Agent. The Note Transfer Agent shall keep the books of registration for this issue on behalf of the City. The Notes may be issued in book-entry-only form through DTC, and any official of the City or the Department of Municipal Service is authorized to execute such custodial or other agreement with DTC as may be necessary to accomplish the issuance of the Notes in book-entry-only form and to make such changes in the note form within the parameters of this ordinance as may be required to accomplish the foregoing. If the Notes are held in book-entry form by DTC, payment shall be made in the manner prescribed by DTC.

The Notes shall be signed by the manual or facsimile signatures of the Mayor and countersigned by the manual or facsimile signature of the City Clerk. The Notes shall have the corporate seal of the City impressed or printed thereon. If the Notes shall be signed by the facsimile signature of both the Mayor and the City Clerk, then the Notes shall not be valid until authenticated by an authorized officer of the Note Transfer Agent. The Notes shall be delivered to the purchaser in accordance with instructions from the General Manager or Assistant General Manager upon payment of the purchase price for the Notes in accordance with the purchase contract for the Notes.

The City shall establish and maintain the JUNIOR LIEN BOND AND INTEREST REDEMPTION FUND created under Section 21 C of Ordinance No. 831 in order to provide for payment of principal of and interest on the Notes. A portion of the proceeds of the Series 2015 Bonds shall be deposited to the Junior Lien Redemption Fund in an amount sufficient to pay principal of and interest on the Notes when due, unless the proceeds are deposited to a defeasance escrow fund for the Notes, or paid directly to the Note Transfer Agent or registered owner of the Notes. If the Series 2015 Bonds are not issued, then the City shall deposit Revenues in the Junior Lien Redemption Fund as provided in the Ordinance in an amount sufficient to pay principal of and interest on the Notes when due. Monies deposited to the Junior Lien Redemption Fund shall be used solely for the purpose of paying the principal of and interest on the Notes. After payment in full of the Notes, any balance then remaining in the Junior Lien Redemption Fund shall be transferred to the Series 2015 Construction Fund or used for any other purpose permitted by law.

Section 9. Applicability of the Ordinance. Except to the extent supplemented or otherwise provided in this ordinance, all of the provisions and covenants provided in Ordinance No. 831, as amended and supplemented, shall apply to the Series 2015 Bonds and the Notes issued pursuant to provisions of this ordinance, such provisions of the Ordinance being made applicable to the Series 2015 Bonds and the Notes herein authorized.

Section 10. Creation of Construction Fund for Series 2015 Project. Any balance remaining after such expenditure shall be paid into the Redemption Fund.

Section 11. Proceeds of Series 2015 Bonds. From the proceeds of sale of the Series 2015 Bonds there first shall be immediately deposited in the Redemption Fund an amount equal to the accrued interest, if any, received on delivery of the Series 2015 Bonds, and the City may take credit for the amount so deposited against the amount required to be deposited in the Redemption Fund for payment of the next maturing interest. All or a portion of any premium received upon delivery of the Series 2015 Bonds may be deposited in either the Redemption Fund or the Series 2015 Construction Fund, as determined by the General Manager or the Assistant General Manager in consultation with bond counsel.

There shall next be deposited from the proceeds of sale of the Series 2015 Bonds the amount necessary to pay all principal of and interest on the Notes in accordance with Section 8 of this ordinance.

Notice of redemption shall be given to each registered owner of bonds or portions thereof to be redeemed by mailing such notice not less than thirty (30) days prior to the date fixed for redemption to the registered owner at the address of the registered owner as shown on the registration books of the City. Bonds shall be called for redemption in multiples of \$5,000, and bonds of denominations of more than \$5,000 shall be treated as representing the number of bonds obtained by dividing the denomination of the bonds by \$5,000, and such bonds may be redeemed in part. The notice of redemption for bonds redeemed in part shall state that, upon surrender of the bond to be redeemed, a new bond or bonds in the same aggregate principal amount equal to the unredeemed portion of the bonds surrendered shall be issued to the registered owner thereof with the same interest rate and maturity. No further interest on bonds or portions of bonds called for redemption shall accrue after the date fixed for redemption, whether the bonds have been presented for redemption or not, provided funds are on hand with the Transfer Agent to redeem the bonds or portion thereof.

Section 14. Non-Arbitrage Covenant. For any series of notes and bonds issued under this ordinance on a tax-exempt basis, the City covenants and agrees that as long as any of the tax-exempt notes and bonds remain outstanding and unpaid as to either principal or interest, the City shall not invest, reinvest or accumulate any moneys deemed to be proceeds thereof pursuant to the Internal Revenue Code in such a manner as to cause the tax-exempt notes and bonds to be "arbitrage bonds" within the meaning of the Internal Revenue Code. The City hereby covenants that, to the extent permitted by law, it will take all actions within its control and that it shall not fail to take any action as may be necessary to maintain the exemption of interest on any of the tax-exempt notes and bonds from gross income for federal income tax purposes, including but not limited to, actions relating to the rebate of arbitrage earnings, if applicable, and the expenditure and investment of bond proceeds and moneys deemed to be bond proceeds, all as more fully set forth in the Non-Arbitrage and Tax Compliance Certificate to be delivered by the City with the tax-exempt notes and bonds. The General Manager or Assistant General Manager is authorized in consultation with bond counsel to designate the Notes or Series 2015 Bonds as "qualified tax exempt obligations" for purposes of deduction of interest expense by financial institutions pursuant to the Internal Revenue Code.

Section 15. Appointment of Financial Advisor. City hereby requests Bendzinski & Co., Registered Municipal Advisors with the Municipal Securities Rulemaking Board (the "Financial Advisor"), to continue to act as Financial Advisor to the City for the Notes and Series 2015 Bonds.

Section 16. Negotiated Sale of Notes and Series 2015 Bonds. In reliance upon the advice of the Financial Advisor, the City Council hereby determines to sell the Notes and Series 2015 Bonds at a negotiated sale instead of a competitive sale for the reasons that a negotiated sale will permit the City to enter the market on short notice at a point in time which appears to be most advantageous, and thereby possibly obtain a lower rate of interest on the Notes and Series 2015 Bonds.

Section 17. Sale of Notes. The General Manager or Assistant General Manager is authorized and directed on behalf of the City to negotiate sale of the Notes to a bank or financial institution subject to the provisions and limitations of this ordinance. The General Manager or Assistant General Manager is authorized to circulate a request for quotations, sales memorandum, or other

document describing the City, the Notes and security for payment of the Notes to potential purchasers of the Notes.

Based upon the recommendations and advice of the Financial Advisor, the General Manager or Assistant General Manager is authorized to award sale of the Notes to a financial institution or other purchaser, and to accept an offer to purchase the Notes without further action of this City Council. This authorization includes, but is not limited to, determination of original principal amount of the Notes; the prices at which the Notes are sold; the date of the Notes; the provisions for early redemption, if any; the interest rates and payment dates of the Notes, and whether the Notes are to be sold on a taxable or tax-exempt basis. The General Manager or Assistant General Manager is authorized to sign a purchase agreement, certificate of award of sale, acknowledgement of offer to purchase the Notes, or other document agreeing to sell the Notes on behalf of the City.

The maximum interest rate of the Notes shall not exceed 3.00% per annum. The purchaser's discount for the Notes shall not be greater than 2.00% of the reoffering price of the Notes. In making such determinations the General Manager or Assistant General Manager is authorized to rely upon data and computer runs provided by the Financial Advisor.

Section 18. Appointment of Underwriter for Series 2015 Bonds. The City hereby authorizes the Municipal Service Commission, in consultation with the Financial Advisor, to select an underwriter (the "Underwriter") as the senior managing Underwriter for the Series 2015 Bonds, and to name additional co-managers and develop a selling group, provided, however, that by adoption of this ordinance the City assumes no obligations or liability to the Underwriter for any loss or damage that may result to the Underwriter from the adoption of this ordinance, and all costs and expenses incurred by the Underwriter in preparing for sale of the Series 2015 Bonds shall be paid from the proceeds thereof, if issued, except as may be otherwise provided in an agreement to be signed by the City and the Underwriter.

Section 19. Appointment of Bond Counsel. The City requests that Miller, Canfield, Paddock and Stone, P.L.C. continue as bond counsel to the City for the Notes and Series 2015 Bonds. The City recognizes that Miller Canfield has represented from time to time, and currently represents, various financial institutions and underwriters which are potential purchasers of or underwriters for the Notes and Series 2015 Bonds in matters unrelated to the issuance of the Notes and the Series 2015 Bonds.

Section 20. Bond Ratings; Municipal Bond Insurance. Either the General Manager or the Assistant General Manager of the Department of Municipal Service is hereby authorized to apply for bond ratings from such municipal bond rating agencies as is deemed appropriate, in consultation with the Financial Advisor.

If the Financial Advisor recommends that the City consider purchase of municipal bond insurance, then the General Manager or the Assistant General Manager is hereby authorized and directed to negotiate with insurers regarding acquisition of municipal bond insurance, and, in consultation with the Financial Advisor, to select an insurer and determine which bonds, if any, shall be insured. Either the General Manager or the Assistant General Manager is hereby authorized to enter into an agreement with the municipal bond insurance provider regarding notices to be provided to the bond insurer, filing of annual financial information to be provided to the bond insurer, consents or approvals to be obtained from the bond insurer, the dates of receipt by the Transfer Agent of bond payments, and other requirements which the City may be obliged to meet in order to obtain municipal bond insurance on the Series 2015 Bonds. If the Financial Advisor advises the City that the purchase of a municipal bond insurance policy for the Series 2015 Bonds would be of economic benefit to the City, then the Municipal Service Commission is hereby authorized to purchase a municipal bond insurance policy from the bond insurer for the Series 2015 Bonds.

Section 21. Official Statement. The City Council hereby authorizes either the General Manager or the Assistant General Manager to approve the circulation of a preliminary official statement describing the Series 2015 Bonds and to deem such preliminary official statement as "near final" in compliance with Securities and Exchange Commission rules. The City Council hereby authorizes the Municipal Service Commission to approve, execute, and deliver a final Official Statement after sale of the Series 2015 Bonds.

Section 22. Continuing Disclosure. In order to enable underwriters to comply with the requirements of Rule I 5c2-12 promulgated by the Securities and Exchange Commission, the City hereby agrees to undertake Continuing Disclosure. Either the General Manager or the Assistant General Manager is authorized and directed to prepare, execute and deliver a Continuing Disclosure Undertaking in such form as he shall, in consultation with bond counsel, determine appropriate.

Section 23. Sale of Series 2015 Bonds. The Municipal Service Commission is hereby authorized, on behalf of the City, in consultation with the Financial Advisor, to accept an offer by the Underwriter to purchase the Series 2015 Bonds. The Municipal Service Commission is hereby authorized on behalf of the City to prepare, approve, execute, and deliver, a Bond Purchase Agreement and all other documents necessary to effect sale and delivery of the Series 2015 Bonds.

The Municipal Service Commission is hereby authorized on behalf of the City, subject to the provisions and limitations of this ordinance, to determine all matters which this ordinance provides shall be determined upon sale of the Series 2015 Bonds, including but not be limited to determination of original principal amount of the Series 2015 Bonds and the prices at which they are sold; the date of the Series 2015 Bonds; the schedule of principal maturities and whether the Series 2015 Bonds shall mature serially or as term bonds; the provisions for early redemption, if any, including mandatory redemption of term bonds, if any; the interest rates and payment dates of the Series 2015 Bonds; application of the proceeds of the Series 2015 Bonds; final preparation, approval, execution and delivery of the final Official Statement, whether the Series 2015 Bonds are to be sold on a tax-exempt basis, and all other necessary actions.

The maximum interest rate of the Series 2015 Bonds shall not exceed 8.00%. The purchase price for the Series 2015 Bonds, exclusive of any original issue discount, shall not be less than 98.00% of the principal amount of the Series 2015 Bonds, plus accrued interest. In making such determinations the Municipal Service Commission is authorized to rely upon data and computer runs provided by the Underwriter or the Financial Advisor.

Approval of the matters delegated to the Municipal Service Commission under this ordinance may be evidenced by execution of the bond purchase agreement or the final Official Statement.

Section 24. Necessary Actions. Any one or more of the officers, administrators, agents and attorneys of the City are authorized and directed to execute and deliver all other agreements, documents and certificates and to take all other actions necessary or convenient to complete the issuance, sale, and delivery of the Notes and the Series 2015 Bonds in accordance with this ordinance, and to pay costs of issuance including rating agency fees, bond insurance premiums, transfer agent fees, financial advisor fees, bond counsel fees, printing the preliminary and final official statements, and any other costs necessary to accomplish sale and delivery of the Notes and the Series 2015 Bonds.

Section 25. Repeal, Savings Clause. All ordinances, resolutions of orders, or parts thereof, in conflict with the provisions of this ordinance are repealed.

Section 26. Severability; Paragraph Headings; and Conflict. If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this ordinance.
