Honorable Mayor Peterson and Distinguished Council Persons:

I reside at 219 Edcliff Court. There are only 4 houses on this court, and traffic is not really an issue. The problem is that there are several holes in the street that I was hoping the Council would consider approving for some repair. When the railroad tracks are blocked by a train, which happens almost everyday, vehicles use the court to turn around on, including truck traffic. I believe this is where the problem stems from, not to mention the trash trucks on Monday. Thank you for any and all considerations in this matter.

Sincerely Henry Gumbis

To: The Members of the Wyandotte City Council

At the Wyandotte City Council meeting on April 20th, 2015 a lengthy discussion was held regarding lot sizes that could be affected by vacant property between two residences. The council resolution on April 20th sold 17 feet of vacant property not wanted by the neighbor on one side to the neighbor on the other side. The gentlemen apparently contacted the city numerous times over the past three years about purchasing this 17 feet property.

My situation is very similar to the gentlemen mentioned above although I have contacted the city numerous times over the last twenty years regarding the purchase of 9 feet of vacant city owned property west of my property line at 412 Vinewood. I have either written letters or verbally requested my intention to purchase the 9 feet of property each year for twenty years. Usually I spoke directly to with Kelly Roberts.

My wife, Catherine (a past Recreation employee), have maintained this 9 feet of property by planting grass and bushes, fertilizing and cutting and trimming the grass in the spring and summer months, raking the leaves in the fall and shoveling the sidewalk in the winter season for twenty years. Incidentally, we have lived in this home since 1978.

The owner of the three family rental unit directly on the west side of the vacant 9 feet of city owned property has told me that she has no intention or interest what-so-ever in purchasing the property from the city.

I am ready to immediately purchase the 9 feet of city property and of course begin paying the taxes on this vacant piece of property.

Respectfully,

Dan and Catherine Naimola 412 Vinewood

Dear Mayor and City Counsel

I'm writing you today to be added to the Special assessment #939 Sewer Tap repair on 22nd Street between Oak and Eureka

I received only one letter regarding the special assessment dated December 2nd 2014. I was informed by the clerk's office today that there was a hearing regarding this Dated March 16th , in which I was not aware of nor was I notified by mail, or I would of proceeded with this a lot sooner.

Claude Marcoux in engineering suggested that I expedite this request as the contractors are currently in the area performing the repairs.

Thank you for your consideration

MEETING DATE: April 27, 2015 AGENDA ITEM #9

ITEM: Response to Councilwoman Fricke regarding escrow account

PRESENTER: Mark A. Kowalewski, City Engineer

INDIVIDUALS IN ATTENDANCE: Mark A. Kowalewski, City Engineer

BACKGROUND: This communication is in response to the inquiry by Councilwoman Fricke at the April 13, 2015, Council meeting regarding escrow funds held by the City. The March 2015, Audit Report regarding fiscal year ending September 30, 2014, indicated that the City has deposits in escrow for upon sale property inspections that could be forfeited to the City.

Q1) Have an explanation of how and why these funds accrued and why the ordinance had not been enforced.

A1) Enclosed is a copy of the ordinance section 19-5(g) regarding the forfeiture of escrow funds. This ordinance was not followed by not forfeiting the funds in a timely manner. Notices should have been sent after the six (6) year time period described in the ordinance. There is no good excuse for not enforcing the ordinance as written. In recent years, priorities were shifted towards the Neighborhood Stabilization Program 2 (NSP2), increase in attention toward vacant houses with many bank foreclosures, concentration of ordinance enforcement for rental dwellings and the remodeling of the new City Hall with subsequent move into the building.

Q2) Request from the City Engineer to provide a report on how many homes that have escrows over one year or longer and the total amount of escrow dollars of those properties of one year older or longer.

A2) There are 1,122 homes with escrows over one year. The total amount of escrow in this category is \$1,430,729.

Q3) Request that the Council be presented with a plan and provide documentation/reports of how this is currently being handled and how the ordinance will be enforced in the future through our City Engineer/Engineering & Building Department.

A3) Escrows are held after inspections are performed and the escrows can be forfeited when six (6) years has passed from the signing of the affidavit and the following procedures have been followed:

The City has sent notice after this six (6) year period and if a written compliance schedule is not submitted to the City within one (1) month of notice with the schedule not being greater than six (6) months or

Repairs are not completed within six (6) months of this notice.

The escrow amount within this category is \$364,210.00.

The plan is to dedicate 15 hours per week to this project. First, notices have already been sent to all property owners regarding the forfeiture of escrow funds that are greater than six (6) years. Second, after six (6) months escrows will be forfeited and tickets will be issued. Reports will be submitted to City Council monthly on the status of escrows.

STRATEGIC PLAN/GOALS: n/a

ACTION REQUESTED: n/a

BUDGET IMPLICATIONS & ACCOUNT NUMBER: Possible additional revenue to General Fund from forfeited funds

LIST OF ATTACHMENTS: Ordinance Section 19-5(g) Inspection of Residential Dwellings Prior to Sale or Transfer

The following was read into the record:

ONLY NOTICE FOR LOSS OF ESCROW FUNDS

April 10, 2015

Wyandotte, Michigan 48192

RE:

Wyandotte, Michigan

Dear Property Owner:

On February 26, 2008, you executed an Affidavit Assuming Violations with the City of Wyandotte, which indicated you would correct the cited violations at the above described property within six (6) months of the date of execution. The six (6) months has long since passed and no final inspection has been scheduled nor has a Certificate of Approval been issued.

On January 6, 2003, Section 19-5(g) of the Wyandotte Code of Ordinances pertaining to Inspections of Residential Dwellings Prior to Sale or Transfer was amended. This amendment sets forth that all funds deposited and held in escrow shall be FORFEITED to the City of Wyandotte if the buyer/owner does not meet one of the following conditions:

Submittal of a schedule to the City setting forth the repair schedule within one (1) month of the date of notice, setting forth a time frame that the repairs will be completed. This time frame must not be longer than six (6) months.

Or

Complete all required repairs and arrange for final inspection by the City within thirty (30) days of the date of notice.

Therefore, this is your only notice to complete the requirements as set forth above. Failure to do so within thirty (30) days of the date of this letter will result in your escrow of \$1,000.00 being FORFEITED to the City of Wyandotte. Forfeiture of escrow moneys does not remove the responsibility to correct the remaining code violations. Failure to correct the violations will result in the issuance of a citation.

If you should have any questions please contact the Engineering and Building Department at 734-324-4550.

Very truly yours, CITY OF WYANDOTTE, ENGINEERING AND BUILDING DEPARTMENT
