

Is that old clarinet in
your basement just
gathering dust?

Our kids could
really USE
your old
instruments...

The Wyandotte Music Program is seeking donations of used instruments for the Elementary and Middle School Band and Orchestra Programs. 5th through 8th graders learn the basics of music before they begin the formal band or orchestra program in high school. Wyandotte is proud to have of the few remaining public school string music programs in the area and a gifted marching band and orchestra. This is primarily due to the early start the district gives to their students.
